

NOVEL CLUB MINUTES

February 6, 2024

The Novel Club held its monthly meeting on Feb. 6, 2024. The meeting was called to order by president Linda Sandhaus.

The January minutes were corrected to state that Andrew Fabens was the club treasurer, not Roland Philip.

Rebecca Carmi requested that some members volunteer to help download club papers and biographical sketches from the website to Google Drive.

The book for discussion was My Antonia by Willa Cather. The biographical sketch was written by Whitney Lloyd who could not attend the meeting because of illness. So Jonathan Kaffen read the biography Lloyd had written. Joyce Kessler presented the reflective paper.
